# PDD Mentor Program Invitation

PDD 2020  
SAN FRANCISCO

**Product  
Development  
Days**

**Designed for**

## **HIGH-POTENTIAL PRODUCT MANAGERS**

The mentorship program is designed for High Potential Product Managers who want to advance their skills to the next level

PDD facilitates making the right connection that are useful to both the mentor and the mentee

**Product  
Development  
Days**

# **Mentor Selection**

All participating mentors are Product Leaders with significant background that are recommended by members of our Program Board.

**Product  
Development  
Days**

# **Mentor Responsibility**

Mentorship is a privilege and means a lot for the mentees to spend time with you

They may have been looking forward and preparing for this meeting for weeks even months

Guide, don't judge!

Development  
Days**

# **What does it mean to be a Mentor?**

Ask questions – don't just tell  
Chose a noise free comfortable space to meet  
Please don't be distracted

**Product  
Development  
Days**

# **Time Commitment**

- Each mentor will need to commit to 10 mentorship sessions of 60 mins each over a course of 90 days
- Mentees will connect with the mentor through the ProductDojo platform and setup a convenient time to meet either in person or online

**Product  
Development  
Days**

# Operational Stuff

- Mentors will need to sign up to the ProductDojo platform to enable visibility and access
- Mentors will need to specify their top three areas of expertise as part of their profile
- Each mentee will provide their goals prior to the mentorship session, accessible through the platform

**Product  
Development  
Days**

# **Benefits to the Mentor**

- Paying it forward!
- PDD will promote mentors in their online channels in the US & Europe
- Mentors get access to PDD event – Bundle Pass and can participate in all planned events

**Product  
Development  
Days**

# Off Limits

- Mentees have been instructed not to ask mentors for jobs, recommendations or similar that could make the mentor uncomfortable

**Product
